

## Sanctions: A Quick Reference Chart

**Sanction** means any consequence or combination of consequences listed for violations of supervision. When an offender violates the conditions of their supervision, P&P Officers will staff the offender's case with a POII or RA to determine appropriate sanctions and alternatives to imprisonment.

### A. ISP SANCTION PROGRAM

**Eligible Offenders:** All offenders under the supervision of the P&P Bureau

The ISP Sanction Program provides the non-compliant traditional offender a period of sobriety by using increased supervision, random urine testing, and mandatory attendance in a treatment component, in order to prepare the offender to return to a traditional caseload.

**Total Available Beds:** 5-15 slots available depending on ISP caseload **Length of Program:** *Up to 180 days*

**Placement Process:** Intervention, On-Site, or Disciplinary Hearing

### B. START PROGRAM – SANCTION TREATMENT ASSESSMENT REVOCATION & TRANSITION PROGRAM

**Eligible Offenders:** Sanction Component - All male offenders under the supervision of the P&P Bureau  
Assessment/placement – All male parolee and conditional release offenders.

**Total Available Beds:** 88 **Length of Program:** *10-120 days*

Any male offenders can be sanctioned for up to 30 days, or longer for parolees or conditional release offenders if approved by the CCD Administrator. Any male parolee, conditional release, or DOC offender that is determined as inappropriate for continuing community placement can be placed at START for 10-120 days.

**Placement Process:** Intervention, On-Site, or Disciplinary Hearing

### C. MASC – (MISSOULA ASSESSMENT AND SANCTION CENTER)

**Eligible Offenders:** Sanction Component - All male offenders under the supervision of Region I and V or if START is full. Assessment/placement – All male parole, conditional release, or DOC offenders in Region I and V or if START is full.

**Total Available Beds:** 144 **Length of Program:** *10-120 days*.

Any male offenders can be sanctioned for up to 30 days, or longer for parolees or conditional release offenders if approved by the CCD Administrator. Any male parolee or conditional release offender that is determined at a hearing to be inappropriate for continuing community placement can be placed at MASC for 10-120 days.

**Placement Process:** Intervention, On-Site, or Disciplinary Hearing.

### D. PASSAGES ASC – (PASSAGES ASSESSMENT, SANCTION & REVOCATION CENTER)

**Eligible Offenders:** Sanction Component - All female offenders under the supervision of the P&P Bureau  
Assessment/placement – All female parolee and conditional release offenders

**Total Available Beds:** 30 assessment beds and 20 sanction beds. **Length of Program:** *10-120 days*.

Any female offender can be sanctioned for up to 30 days, or longer for parolees or conditional release offenders if approved by the CCD Administrator. Any female parolee or conditional release offender that is determined at a hearing to be inappropriate for continuing community placement can be placed at Passages for 10-120 days.

**Placement Process:** Intervention, On-Site, or Disciplinary Hearing.

### E. PRERELEASE SANCTION BEDS

**Eligible Offenders:** All offenders under the supervision of the P&P Bureau.

**Total Available Beds:** 4 beds at each prerelease center. **Length of Program:** *10-30 days*.

Offenders will be in lock-down status, not allowed to leave the facility during the placement period, and separated from the facility general population. Access to television, radio, video, and audio players will be limited. BA and UA testing will occur on a random basis during the placement period.

**Placement Process:** Intervention, On-Site, or Disciplinary Hearing.

F. **CONNECTIONS CORRECTIONS (CCP) SANCTION BEDS WARM SPRINGS**

**Eligible Offenders:** All male parolees, conditional release, and prerelease offenders.

**Total Available Beds:** 10 **Length of Program:** 60 days.

Prior to a hearing, P&P Officers should informally have the offender screened and inform the Hearings Officer of the outcome of the informal screening at the time of the hearing. The Hearings Officer will need to check on space availability in this program prior to ordering this as a sanction.

**Placement Process:** Intervention, On-Site, or Disciplinary Hearing

G. **PASSAGES ADT (PASSAGES ALCOHOL AND DRUG TREATMENT**

**Eligible Offenders:** All female parolee, conditional release, and prerelease offenders.

**Total Available Beds:** 36 treatment/4 sanction **Length of Program:** 60 days.

Prior to a hearing, P&P Officers should informally have the offender screened and inform the Hearings Officer of the outcome of the informal screening at the time of the hearing. The Hearings Officer will need to check on space availability in this program prior to ordering this as a sanction.

**Placement Process:** Intervention, On-Site, or Disciplinary Hearing.

H. **ENHANCED SUPERVISION PROGRAM (ESP)**

**Eligible Offenders:** All offenders under the supervision of the P&P Bureau

**Total Available Beds:** 12 at each prerelease center **Length of Program:** 60 or 90 days

**Placement Process:** Intervention, On-Site, or Disciplinary Hearing

I. **DAY REPORTING**

**Eligible Offenders:** All offenders under the supervision of the P&P Bureau, available in Kalispell and Glendive

**Total Available Slots:** 25

**Length of Program:** Varies

J. **MCDC (MONTANA CHEMICAL DEPENDENCY CENTER) PROBATION INTERVENTION PROJECT**

**Eligible Offenders:** All probation offenders under the supervision of the P&P Bureau and meets ASAM (American Society of Addiction Medicine) Level of Care for Level III.5 or Level III.7 as determined by the Chemical Dependency Provider. The Hearings Officer may request that a referral be made prior to the hearing to see if the offender is eligible and accepted for placement into the program, if the program is a viable option for the chemically dependent individual and to see if there is a sanction beds available and if so when placement could be initiated.

**Total Available Beds:** 8

**Length of Program:** average of 45 days

**Placement Process:** Intervention hearing.

K. **TSCTC (TREASURE STATE CORRECTIONAL TRAINING CENTER) SANCTION PROGRAM**

**Eligible Offenders:** All male TSCTC graduates. Prior to a hearing, P&P Officers should informally have the offender screened and inform the Hearings Officer of the outcome of the informal screening at the time of the hearing. The Hearings Officer will need to check on space availability in this program prior to ordering this as a sanction. If the offender is referred to a TSCTC bed, the P&P Officer will then have the offender screened formally. All offenders ordered this sanction will be initially placed in the program for 30 days. If TSCTC staff recommends an extended sanction, the offender may volunteer for up to an additional 30 days.

**Total Available Beds:** varies depending upon needs

**Length of Program:** 30-60 days

**Placement Process:** Intervention, On-site, Disciplinary hearing.
